

Please find below an *abbreviated* update from The Premier, Gladys Berejiklian, about the current alert in the Northern Beaches:

Please be aware that "A couple of people at those venues weren't from the Northern Beaches, they've gone back to their home, back to their other suburbs".

Premier Berejiklian also said a message of high alert should be in place across Sydney, advising people wear masks in places such as public transport and **places of worship**.

To help stop the spread of COVID-19:

- 👉 If you are unwell, get tested and isolate right away – don't delay.
- 👉 Wash your hands regularly. Take hand sanitiser with you when you go out.
- 👉 Keep your distance. Leave 1.5 metres between yourself and others.
- 👉 Wear a mask when using public transport, taxis and in shops, **places of worship** and other places where you can't physically distance.

Please help us to keep our community safe. **Please DO NOT come to Mass if you, or any person in your family, is feeling unwell.**

Go Gently, God Bless.
